Old Business:

Scott looked at lots for the Street Survival school. The Mercy lot and the Kickapoo lots would both work.

Discussion of EVO school. Justin feels it would be worth several hundred dollars for Paul to instruct him on how to properly drive something with more than 2 wheels and 200hp. Stan Bell was nominated to be project manager since he was not present and the board has great confidence in his abilities.

New Business:

Matt made a motion to finalize the rally and set the start time at 1:00 at the Willard south elementary on the 28th of October. The finish will be at the Longpine's. The budget shall not exceed \$300. Justin seconded. Passed.

Scott made a motion to publish the minutes on the website. Second by Sam. Paul will publish the minutes to the website and gray out Treasurer's report. Passed.

Scott made a motion to split half the proceeds of the November charity autocross between the trucking school and half to the scholarship. Seconded by Sam. Passed.

Scott made a motion that we make a change to the sups to add a \$100 fine for anyone that hits the timing lights. If they don't pay they will not be able to run future events. Second by Jeff. Failed.

Solo Report:

Last Sunday we had 63 entrants. The autocrosser of the year is close.

The course can be cleaned up between heats, but only hazards can be cleaned up during a heat. Dealing with water is part of Autocross.

Competitors are responsible for identifying missed classed cars during the event. We will not retroactively change a car classification after results are published.

We are looking into getting umbrellas for prizes.

Announcements:

Sam podiomed at the runoffs. Congratulations Sam.

Kent was humbled at nationals, but he still had a good time.
The Huffman's are power para-gliding.

Motion to adjourn by Jeff, second by Justin. Passed.
