Old Business:

Sam reached out to the fairgrounds about using their lot for the Street Survival School. They have been slow to respond, but we hope to hear back from them soon.

Sam made a motion to add to the sups that Kart runs will be grouped together. Matt seconded. Passed.

Autocrosser of the year jacket search will resume in the fall.

* Unless Karen wins Publisher's Clearinghouse. Then the Wilson's will be in Bali instead. She just has to call them back to claim her prize.

Motion to do a club event at the Ford vs. Ferrari movie by Scott, second by Sam, third by Jeff. We can have it at the Alamo where seats can be reserved. The movie will probably be dull because we already know Ford wins. Paul will put it together. Tabled.

Announcements:

KOLR has offered to cover one of our events at the fairgrounds. That event will also unofficially be the Mullet event. Every driver with a mullet will get 2 seconds subtracted from their time. So start growing your hair out now!

Scott will be backup course designer for the next event if Bud is unable to do it for the next AutoX.

Tim Datema now has no excuse to not show up at AutoX since school is over.

Scott is taking care of the Mid-Div shirts and corporate sponsorships.

Motion to adjourn by Matt, second by Jeff. Passed.
