

Minutes of the Ozark Mountain Region SCCA from September 10th, 2019. Members present Bud Weeks, Stan Bell, Paul Smith, Matt Longpine, Scott Woosley, Jeff Moore, Sam Henry, Don and Karen Wilson, and Gregg McNabb.

Call to order: Sam

Secretary's report: Motion to read the minutes by Jeff, second by Matt. Passed

Treasurer's report: The current balance was reported. To avoid billing errors the club will not pay the sanction fee with the sanction. Instead we will wait until we are billed by the SCCA and pay it then. Motion to approve the Treasurer's report by Gregg, second by Matt. Passed.

RE report: No report.

Assistant RE report: No report.

Old Business:

We need worker assignment sheets and flour for the next AutoX. We need more radios and instructions on how to configure them.

Our first AutoX at the fairgrounds was a success. We had a larger turnout than expected and the event went smoothly. The biggest problem we had was with the Mule days attendees next door to the event. Apparently mule people get thrown, kicked, bitten, or drug around the arena and they act like it.

Autocrosser of the year jacket search will resume in the fall.

Ford vs. Ferrari event tabled until fall.

New Business:

Jeff made a motion for Scott to spend up to \$200 on new radios. Matt seconded. Approved.

Scott made a motion to spend up to \$100 for additional crowd control barriers. Second by Gregg. Passed.

Paul made a motion to get stickers with the new logo and the year for event trophies. Sam seconded. Matt will take care of it. Passed.

Announcements:

Motion to adjourn by Matt, second by Jeff. Passed.
